

# SAFE ALERT™

Replace your  
CO alarms  
that are over  
5 years old!

## Carbon Monoxide Alarm

### Have a safe trip!

#### 65 series CO alarms:

**Designed for the Rugged RV Environment.** Ideal for Class A Motor homes, Class B Van Campers, Class C Mini-Motor Homes, Travel Trailers, Fifth Wheels, Truck & Folding Campers.

**Advanced Technology.** Alarm Mute button silences alarm while RV is ventilated. Rapid recovery sensor resets when silenced or reactivates alarm if dangerous levels of CO remain.

**Memory Scan™.** Retains the CO level that activated the alarm. After ventilation it is impossible to know what the CO level was unless your alarm has memory.

**Micro Current Technology.** Saves battery power.

**Two Level Alarm - Low and High.** Low notifies you of moderate (60ppm) levels of CO, helping protect high risk groups including seniors and children.

**Reliable.** 12 Volt power means no missing or dead batteries to replace.

**Loud 85 dB Alarm.** Alerts you to CO danger.

**Approved.** Meets RVIA/NFPA requirements. Listed to UL 2034 RV.
