70-742-R-BL-KIT (Black)

Made in USA

### Have a safe trip!

#### 70 Series Dual Alarms with Valve Control:

Kit contains 70-742 CO/LP alarm with built in relay to control solenoid valve. Sounds alarm and turns your gas supply off when a Propane leak is detected.

**Double-Duty Alarm.** Detects both gas leaks and CO gas simultaneously. Also detects Compressed Natural Gas (CNG) / Methane.

**Durable.** Built for the extreme RV environment.

**Advanced Technology.** Both sensors remain active during an alarm.

**Low Current Draw.** 1.6 Amps with solenoid valve.

**Reliable.** 12 Volt power means no missing or dead batteries to replace.

**Approved.** Meets RVIA/NFPA requirements.

**Listed to UL 1484 RV and UL 2034 RV.**
