

CARBON MONOXIDE ALARM REPLACEMENT NOTICE

Subject: All Carbon Monoxide Alarms that are 5 years old and older are beyond their Mandatory Replacement Time and <u>MUST</u> be replaced.

Background: Underwriters' Laboratories (UL® Carbon Monoxide Standard UL 2034 and Canadian Standards Association (CSA®) CSA 119.2 now require that all Carbon Monoxide Alarms be designed to include an End Of Life signal. <u>ALL</u> Safe-T-Alert Carbon Monoxide Alarms over five (5) years old <u>MUST</u> be replaced.

Important! Only install Carbon Monoxide Alarms that are UL or CSA listed for Marine use.

Service Recommendations:						
old, did not tess Marine Surveyo the company be	t properly or I or named below elow, the perso	derstand that I should do not have one insta w and I waive the reco ons informing me and from my failure to au	alled on my b ommendation MTI harmle	oat. I was inf to install suc ss of any liabi	formed of the nee h equipment on 1 lity now and in th	ded service by the ny vessel and hold
